

OUR PARTNERS

ABOUT IPT

Integrated Procurement Technologies (IPT) is a leading aerospace and military parts and components distributor and worldwide supplier of original equipment manufacturer (OEM) parts and equipment.

IPT provides domestic and international end users with the highest caliber of products and service. We specialize in creating solutions for spares and repair requirements, catering primarily to military customers and military MROs. All of our parts are OEM certified, and all repairs are done at OEM approved facilities.

Established in 1982, IPT is headquartered in Goleta, California – where you will find our International Sales, Foreign Military Sales, and OEM Partner Services business units. Our U.S. Government Sales office is strategically located in Dayton, Ohio near Wright Patterson, AFB and various aerospace manufacturers. To complement the two office locations in the United States, IPT has regional offices located in Singapore and the UK, as well as numerous sales offices and representatives throughout the world. Each team is staffed with experienced procurement managers committed to providing unsurpassed customer service.
